

Okinawa Stray Pet Rescue (OSPR)
Adoption Application

PLEASE READ CAREFULLY: When applying to adopt an animal from OSPR, you must first submit this application along a \$10 non-refundable adoption application fee for all cats and dogs. This is a one-time fee, and it is waived at our events. Please, allow 72 hours for our team to review your application and get back to you with any questions or concerns. Upon approval, the animal's coordinator will schedule a meet and greet with you and the animal(s) you would like to meet. If the meet and greet goes well, you will begin a required 2-week trial period and you will pay an applicable trial deposit. We reserve the right to extend the trial, but extension is not guaranteed if requested. If you have any questions or concerns about the adoption process, please contact us via email at okinawastraypetrescue@hotmail.com and we will reply at our earliest convenience.

IMPORTANT: PLEASE DO NOT APPLY if you reside on a military installation and already have the allowed 2 pets, are not allowed pets per your rental agreement, or have other restrictions. Also note, it is Japanese law that stray animals found must be reported to the police, and the owners have 90 days to claim their animal. We do our due diligence to find any possible owner prior to putting them up for adoption. However, should a rightful owner step forward within the 90 days, they have a legal right to claim that animal. In this case all money will be refunded.
